   B. Second: Alan
   C. Approve: ALL

III. Financials update: Tegan
   A. The DC Statement of Activity for April 2019 shows total revenue of $6,453.74 and expenditures of $16,300.44, for a net revenue of $-9,846.70. The DC Statement of Financial Position a/o April 30, 2019 shows total assets of $103,402.74. The DC Budget vs. Actuals July 2018-April 2019, shows an actual total revenue of $74,258.48 vs. a budget of $69,903.40, indicating that the actual total revenue is 106.23% of the budget. The report also shows actual total expenditures of $51,911.60 vs. a budget of $42,877.10, indicating that the total expenditures are 121.07% of the budget. The actual net revenue reported is $22,346.88 vs. a budget of $27,026.30, indicating that the net revenue is 82.69% of the budget, putting DC $-4,679.42 over the budgeted revenue.

   B. Naturally, we saw both a lot of conference revenue and conference expenses occurred in April. Our net operating revenue, year to date, is $22,347. Our net revenue for April was $-9,846 and our total assets are $103,403. It may look a bit strange to have our net revenue go down but our total assets go up. However, that’s because as of the end of last month, we had a good chunk of money in “accounts payable,” conference expenses that had been recorded but the payments hadn’t gone through yet. Those have been paid since then, so we’ll see it balance out in the next month. Looking at fiscal year 2019 as a whole, so far we have both earned more and spent more than we budgeted for. Our expenses so far have been more over budget than our revenue, but we’re still financially
healthy. Next year’s budget will hopefully have a more accurate projection of our spending and earnings.

C. Our discussions from last month’s meeting are reflected in the new draft of the FY 20 budget. The next step is that we will be sending around the budget and plan of service to the membership for approval. If anyone has questions, concerns, or proposed changes, now’s the time. Do we have a time frame for when we’re sending them around?

D. FY20 budget discussions:
   1. What is 6850? - Alan
      a) Basically the membership committee budget. - Tegan
   2. 8570 is for advertising expenses to experiment with MBTA as long as we have a plan. - Tegan
   3. Where is the budget line for presenting at conferences to represent DC? - Jodi
      a) 8310 - Tegan
   4. Board approval of budget to send to membership for full approval:
      a) Moved: Alan
      b) Second: Danielle
      c) Approve: ALL

IV. Membership update: Glynda
   A. Per the report, there are 192 current members, 10 past due members, 19 pending members, and 6 lapsed members. In May 2018, DC had 163 members; May 2017, DC had 184 members; May 2016, DC had 185 members; May 2015, DC had 165 members.
   B. Aging receivables chart: A/o 05-18-2019
      1. 0-30 days: $3,815.00
      2. 31-60 days: $410.00
      3. 60-90 days: $520.00
      4. Over 90 days: $2,595.00
      5. Total: $7,340.00
   C. Supreme Judicial Court of Massachusetts is interested in putting their things in Digital Commonwealth.

V. Review of Conference Report: Glynda and Justin
   A. The vibe was different this year
   B. 15 speakers this year, with additional vendors, student scholarships--probably around 180 mark for total people in attendance.
   C. 12 exhibitors and demos, 2 paying sponsors
   D. 158 registrants--up by 32 people
      1. 6 people from out of state
   E. $5,000 in net-profit
   F. Website has been updated with speaker presentations, added all exhibitor and sponsor logos to website, archived the 2019 conference webpage
   G. April 7th, 2020 is the next conference
H. Survey sent out right after the conference--50 percent return rate
   1. Everything was highly rated
   2. Keynote and luncheon keynote highly rated
   3. Hardly any negative or average responses
   4. Everyone loved the breakouts, none stand out as negative
      a) 3D artwork was highly rated, along with rights statements
   5. 71 percent excellent for overall rating, 26 percent good
   6. People like the Holy Cross location, food, etc.
   7. A few specific comments:
      a) Keynote speakers: A lot of talk about how to contextualize collections living online--we are responsible for what we put online
      b) We should try to be more mindful of new conference attendees
      c) Respite room requested as well as lactation room
      d) Suggestion for outreach and education: hosting informal discussions and meet-ups are desirable. This might be more of a membership committee event.
      e) 13 people requested interest in joining committees
I. Comments about Eben’s lunch keynote were fairly polarized. People who were negative deliberately missed his point. But, the talk about creating more context is important. Remaining as status-quo is not neutral. How do we ask and answer these types of questions at conferences and at our institutions? - Tegan
J. Libraries and archives are not apolitical - a conference theme for next year? To follow up on Eben’s keynote. Kate also had some input about what is going on at Wheaton with addressing this topic. Kate will send some readings.
K. Should we have a code of conduct at the DC conference in the future? Another intersection with Mass Humanities.
   1. Need to actually enforce things like this
   2. Bob Schier @ Holy Cross might have training experience in things like this.
   3. Will have a training and a dedicated group of people who will “police” and make reports.
