   c. Approve: Unanimous

III. President’s Report: Sadie
   a. None

IV. Financials Update: Tegan
   a. The DC Statement of Activity for August 2018 shows total revenue of $6,220.00 and expenditures of $1,766.77, for a net revenue of $4,453.23. The DC Statement of Financial Position a/o August 31, 2018 shows total assets of $68,288.61. The DC Budget vs. Actuals July-August 2018 shows an actual total revenue of $16,075.00 vs. a budget of $13,980.68 indicating that the actual total revenue is 114.98% of the budget. The report also shows actual total expenditures of $13,771.91 vs. a budget of $8,575.42, indicating that the total expenditures are 160.60% of the budget. The actual net revenue reported is $2,303.09 vs. a budget of
$5,405.26, indicating that the net revenue is 42.61% of the budget, putting DC $-3,102.17 over the budgeted revenue.

b. Our financial statements right now are as expected. We’re still feeling a bump in revenue from memberships coming due around the start of the fiscal year. In the past month, our net revenue has started to balance out after the big expense of DPLA membership in July. The year-to-date statement of activity as of August 31 shows a net revenue of $4,453. Our total assets as of August 31 are $68,288.61.

c. Tegan is getting more information about Certificates of Deposit for business from Citizen’s Bank.

d. **Budgets for committees**
   i. Have next fiscal year be the start for this model, use this year as a training year.
   ii. **Next steps:** Revisit this at the next meeting after we all have time to think about things and go over the spreadsheet.

e. Nice to have money to buy swag
   i. Unique swag
      1. Stickers, buttons, water bottles
      2. Alan has water bottle samples. Check with Glynda to assist with finding interesting swag

V. **Membership Update:** Tegan

a. Glynda emailed documents to the board on September 15th.

b. Per the report, there are 175 current members, 19 past due members, 18 pending members, and 14 lapsed members. In September 2017, DC had 171 members; September 2016, DC had 148 members; September 2015, DC had 142 members.

c. Membership is in good shape. We do have 19 members past due, 18 pending, and 14 lapsed, but the bulk of those past due are recent. The aging receivables chart shows that the money that’s less than 30 days overdue is more than the rest of the overdue fees combined. That’s a good place to be, because these members are likely to just be slow in paying.

d. **Aging receivables chart: A/o 09-15-2018**
   i. 0-30 days: $2,925.00
ii. 31-60 days: $700.00
iii. 60-90 days: $725.00
iv. Over 90 days: $225.00

VI. BPL Update: Gianna
   a. Sadie emailed the report on September 14th
