Mission

The Digital Public Library of America empowers people to learn, grow, and contribute to a diverse and better-functioning society by maximizing access to our shared history, culture, and knowledge.
Proactive collaboration
Equity + Inclusion
Optimism about technology’s potential
We work with partners to...
Make the cultural riches of America’s libraries, archives and museums available to all
Provide a library-controlled marketplace and platform for libraries to purchase, organize and deliver ebooks to their patrons.
Convene library leaders and practitioners to explore and advance technologies that serve, inform and empower communities.
For Black women, the fight wasn't over in 1920. Their movement for gender and racial equality continues.
